

Australasian Natural Hazards Management Conference 2007 Programme

Sunday 1 July, Day 1 - WORKSHOPS	
From Noon	Registration for Workshops at the Mercure Hotel (Conference Venue)
1:30 – 4:30	Workshop A: Improving public education programmes: from theory to practise Workshop B: Understanding infrastructure vulnerability: The vital role of risk communication Workshop H: Building resilience – Promoting sustainable recovery
5:00 – 7:00	Ice Breaker Drinks
Monday 2 July, Day 2 – CONFERENCE	
8:00 – 9:00am	Registration for Conference at the Mercure Hotel
9:00 – 9:30	Welcome and Opening Address.
9:30 – 9:45	The programme, housekeeping etc
9:45 – 10:30	Children and Disasters: Understanding vulnerability, developing capacities, and promoting resilience - Lori Peek, Colorado State University.
10:30 – 11:00	Morning Tea
11:00 – 11:30	Democratic command: the political limits of command and control in major emergencies - Douglas Magendanz, UQ School of Political Science and International Studies.
11:30 – 12:00	The Australian Tsunami Warning System - Geoff Crane, Bureau of Meteorology
12:00 – 12:30	Inevitable ripple – New South Wales emergency management of the Solomon Islands Tsunami April 2nd 2007 - Andrew Gissing, NSW State Emergency Service.
12:30 – 1:30	Lunch
1:30 – 2:00	Early warning systems: Reframing the discussion - Phillip Hall, Faerber Hall.
2:00 – 2:30	Coastal-hazard risk management conundrums - Robert Bell and Doug Ramsay, NIWA.
2:30 – 3:00	Assessing Auckland’s capacity and capability to prepare for and respond to a disaster - Michelle Daly and Karen Stephens, Kestrel Group.
3:00 – 3:30	Riskscape: An innovative multi-hazard loss modelling tool - Andrew King, GNS Science, and Robert Bell, NIWA.
3:30 – 4:00	Afternoon Tea
4:00 – 4:30	Land use, planning and risk: three Australian river ports – Brisbane, Newcastle and Adelaide - Ken Granger, Institute for International Development Ltd.
4:30 – 5:00	Disaster management and schools - Richard Graham, Innisfail State High School.
5:00 – 5:30	Gendering the Hyogo Framework For Action - Elaine Enarson, Brandon University.
5:30 onwards	Drinks
Tuesday 3 July, Day 3 – CONFERENCE	
8:45 – 9:30	Benfield Keynote Address – “Happy after Larry? – a comparison of modelled losses and insurance payouts” Paul Grasso
9:30 – 10:00	Social impact assessment for disasters - Alison Cottrell and David King, James Cook University.
10:00 – 10:30	Tort liability for failure to warn – a threat to community resilience - Michael Eburn, University of New England.
10:30 – 11:00	Morning Tea
11:00 – 11:30	Emergency warnings and ABC local radio - Ian Mannix, ABC Radio.
11:30 – 12:00	Targeted flood awareness and preparedness – a South Australian case study - Chris Wright and Linton Johnston, BOM, Robert Stevenson, SA State Emergency Service, and John McArthur, City of Unley.
12:00 – 12:30	Now is the time to be Floodwise - Cathy Wilson, Brisbane City Council.
12:30 – 1:20	Lunch
1:20 – 1:40	Facilitating readiness for natural hazards: the role of social trust – Douglas Paton, University of Tasmania
1:40 – 2:00	How cognitive biases influence preparedness – John McClure and Chris Sibley, Victoria University of Wellington
2:00 – 2:30	Marketing recovery: outreach and communication strategies for recovering communities - Susan Nicholls, University of Canberra, and Chris Healy.
2:30 – 3:00	Monitoring landslide movement and triggering factors in near real-time, examples from translational landslides in New Zealand - Chris Massey, GNS Science.
3:00 – 3:30	Tsunami hazard and impact modelling in Australia: modelling to inform emergency management – Trevor Dhu, Geoscience Australia
3:30 – 3:50	Afternoon tea
3:50 – 4:20	Crisis information management systems (CIMS) for hazard information sharing - Renato Iannella, National ICT Australia.
4:20 – 4:50	Insurance - Christina Magill and John McAneney, Risk Frontiers.
4:50 – 5:20	Creating resilient organisations and communities - Michael Tarrant, Emergency Management Australia.
5:20 – 5:30	Closing
5:30 onwards	Drinks
Wednesday 4 July, Day 4 – WORKSHOPS AND FIELD TRIP	
8:00 – 9:00	Registration for Workshops at the Mercure Hotel
9:00 – 12:00	Workshop C: Developing effective warning systems for multiple hazards Workshop D: Effective land-use planning for natural hazards
9:00 – 3:00	Workshop G: Gender and disasters
1:30 – 4:30	Workshop E: Why won't they listen? An interactive workshop on natural hazard public communication Workshop F: Disaster impact assessment
5:00	Depart for Forum – Novotel Twin Waters – Sunshine Coast
Thursday 5 July, Day 5 – DISASTER RESEARCH FORUM
