

# 7th Australasian Natural Hazards Management Conference Wellington, 23-24 September 2014

Te Papa

## Student Support

The Joint Centre for Disaster Research, with support from the Earthquake Commission and GNS Science, invites New Zealand students to apply for financial support to attend the 7th Australasian Natural Hazards Management Conference Wellington, 23-24 September. This will cover the registration (main conference only), attendance at up to two workshops and a contribution towards travel costs.

- Wellington students can apply for free registration,
- North Island students outside Wellington can apply for free registration and up to \$300 towards travel costs and accommodation
- South Island students can apply for free registration and \$500 towards travel costs and accommodation

To apply for this support complete a registration form and attach a short letter describing your current course (e.g. B.Sc., M.A., PhD), the department and institution you are studying at, your current research topic and/or interest. Please include an email contact address. Those planning to submit posters will have priority for funding. Funding is limited so not all students applying are guaranteed to receive support. Applications for funding support close **5 August 2014** and all students will be notified by 11 August 2014.

Send applications to Daryl Barton, GNS Science, PO Box 30 368, Lower Hutt.
